ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear.

Hail to the heroes who have gone before us.
Young men and maidens, filled with true devotion!
Bright is their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus:
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail Alma Mater dear!

STETSON SONGS

GO, HATTERS, GO (Feasel)

Hatters, you will win the game; Listen to our cheer
(Go, Hatters)
Shout the glory of your name; Spread it far and near
(Yea, Hatters)
Alma Mater, praise to thee and our teammates true;
(Go, Hatters)
Marching on to victory. Let's Go, Hatters, Go!

WE ARE THE GUYS FROM STETSON U. (arr. Giffin)

We are the guys from Stetson U. you hear so much about.
The other schools all envy us whenever we go out,
SO, fill your lungs and sing it out and shout it to the skies,
The Green and White forever, we'll be loyal 'til we die.
As we go marching and the band begins to play, **Rah! Rah! Rah!**
You'll hear us shouting: Stetson U. will win the day. **Fight!**

STETSON HATTERS (Newlin)

Here comes our team in green and white.
They're out for victory here tonight.
See them **fight, fight, fight,**
See them stand for the right,
Now watch them as they go.
Now sing it: S-T-E-T-S-O-N, Stetson Hatters. Hatters,
S-T-E-T-S-O-N, Stetson Hatters, Hatters,
Guard that line, now see us shine,
For we're the guys from Stetson U.
For it is: S-T-E-T-S-O-N, Stetson Hatters, Hatters,
S-T-E-T-S-O-N, Stetson Hatters, Hatters,
Guard that line, now see us shine,
For we're the guys from Stetson U.

SCHOOL SONG (Smith-Chapman)

Dear Alma Mater,
We love your spirit,
We love your valor true and fine.
Your colors waving in all the glories
Of the honors won through time.
Our school we cherish, with all its glory;
There's not another one compares.
We love its victories
And Hatters all will fight
For dear old Stetson U.

HISTORY AND HERITAGE

DeLand Academy, which later became Stetson University, was established in 1883. There were 13 students and one teacher in the beginning. Total enrollment last year was 2,615 and there were 127 members of the faculty.

In 1876, Henry A. DeLand of Fairport, New York, was so impressed by the pleasant climate and tropical scenery surrounding a small unnamed settlement in central Florida that he decided to make it his home. From the first he manifested such an active interest in the growth and development of the community that it soon was named DeLand.

In 1884 he built DeLand Hall, which houses the present School of Music, and moved the year-old Academy into the new building. He proposed to the Florida Baptist Convention that if the Convention would contribute \$10,000 he would donate an equal sum along with the Academy property. This was done, and in the fifth year the school was incorporated as DeLand University. Later, at the request of the original benefactor, the name was changed to John B. Stetson University in honor of the Philadelphia hat manufacturer who had given much of his time and wealth to aid the advancing young college.

Stetson University was conceived with Christian ideals as its basis. Today, as always, that spirit dominates the whole of the University, a spirit which becomes our heritage when we become a part of the student body. Because of world conditions today our goals are even more significant than ever before: scholarship, culture and Christian character. As we adopt these goals for our own, we become a part of that spirit which our past has developed and on which the hopes for the future depend. This is our heritage, and it is our privilege to pass the heritage on to those who will follow.

RULES AND REGULATIONS

Each student at Stetson University is subject to the rules and regulations of the University as printed in the **Annual Catalogue** and in the **Student Handbook**. Failure to acquaint oneself with these publications can result in serious consequences. Below are listed some of the regulations about which a student will be concerned frequently, and a brief statement of the University's expectations concerning its students' conduct.

1. **Change of Registration.** See page 28, **Annual Catalogue**. Special fees, course changes.
2. **Withdrawal from University.** See page 29, **Annual Catalogue**.
3. **Academic Probation and Suspension.** See page 29, **Annual Catalogue**.
4. **Class Attendance.** See page 28, **Annual Catalogue**.
5. **Grading System.** See page 30, **Annual Catalogue**.
6. **Chapel Attendance.** See page 28, **Annual Catalogue**.
7. **Physical Education.** See page 37, **Annual Catalogue**.
8. **Expenses.** See page 32, **Annual Catalogue**.
9. **Conduct.** John B. Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However, there are certain rules and regulations concerning conduct, on and off the campus, which have been printed for the guidance of all concerned. These rules appear in this **Student Handbook**, and each student should familiarize himself with them.
10. **Membership in Music Organizations.** See page 177, **Annual Catalogue**.

FOR ALL FRESHMEN

1. Obey all University traditions, rules and regulations.

2. Make acquaintances with your classmates and others as soon as possible. Stetson is a friendly school. We speak to everyone whether we know him or not.

3. Take an active interest in all student elections in which you are concerned.

4. Join only those extra-curricular activities in which you are really interested. They will be an important part of your campus life, but remember that "majoring" in extra-curricular activities means neglecting important studies.

Purpose of Freshman Rules: To create among new students an enthusiastic school spirit and the loyalty that will last not only through four years of University life, but will carry over into life after college, and make for a better alumni group. All freshmen of Stetson University are expected to comply with these rules at all times with the exceptions as stated by the committee on freshman rules.

1. Freshman caps shall be worn at all times except on Sundays and when in attendance at formal affairs.

2. All school songs appearing in the **Handbook** are to be memorized during Freshman Week and are to be recited to upperclassmen on request.

3. All freshmen are required to attend all student assemblies except when on scholarship duties.

4. If called upon by upperclassmen to perform duties of a constructive nature, freshmen are expected to respond promptly and willingly.

IMPORTANT: Upperclassmen must refrain from requesting any act which will offend the sense of pride or honor of any freshman.

5. On a date set by the Freshman Rules Committee, contests will be held between the freshmen and an equal number of upperclassmen. If the freshmen are victorious, they may discard their caps; if the upperclassmen win, the freshmen must wear their caps until further notice by the Freshmen Rules Committee.

6. Freshmen must carry **Student Handbooks** with them constantly during the first quarter.

7. These rules will be carried out to the fullest extent with members of the Stetson "S" Club enforcing them.

FACULTY ADVISORY SYSTEM

The University uses an individualized program. In the place of the old system in which general requirements were laid down for all students with little regard for individual differences, there has been instituted a system of individual requirements. The use of requirements as such has not been abandoned, but the method of using them has been changed. Instead of being laid down in advance and applied generally, requirements are set up for each individual based upon his aptitudes, interests and needs.

Such a system requires methods and devices for discovering individual aptitudes and interests and an organization for counselling students. A group of faculty members has been chosen and is organized to act as counsellors. A testing program is in use to supply the counsellors with needed information concerning individual students. This is supplemented by reports from high schools from which the students come.

When a student enters the University he has an interview with members of the advisory council which is supplied with all the information that has been gathered concerning the student. By means of this initial interview and others from time to time, each student's educational program is worked out and directed.

STUDENT ADVISORY SYSTEM

Each spring the Deans of Men and Women choose from the upper divisions a group of students to become Freshman Advisers for the following fall season. These students are chosen, not for their high scholastic average nor for numerous extracurricular activities, but for their ability to represent all phases of college life, and still further, to help each new student become a member of the Stetson family as quickly as possible. An adviser begins his contact with a freshman through correspondence during the summer, and such associations prove profitable to both adviser and advisee. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, having found his place in the group and having adjusted himself socially and mentally to campus life.

THE COMMONS

The meal schedule is as follows:

Weekday Breakfast	6:45- 8:00
Saturday and Sunday Breakfast	7:30- 8:30
Weekday Luncheon	11:30- 1:00
Saturday Luncheon	11:30-12:30
Sunday Luncheon	12:30- 1:30
Saturday and Sunday Dinner	5:30- 6:00
Weekday Dinner	5:30- 6:30

The comfortable lounge is available for meetings and other group activities. Arrangements for special parties must be made with the dietitian.

SOME "HOW TO STUDY" HINTS

In the University, the **past** meets the **present** for the **future**. Here the student is "exposed" to the experience and culture the race has accumulated. The **hope** is that he may add to it. The University can educate no one—it provides opportunity, facilities, tradition, counsel—but the student does his own learning. The following hints are good ones:

1. Ask each professor for his suggestions as to how to study his subject matter. Examine books on this in our library.

2. Start out the first day as a 100 per center. First impressions often persist.

3. Make a written summary in outline form of each assignment. Writing this calls on a motor brain area in addition to the visual one.

4. Have a regular time for preparing each course. This pays big!

5. Your I.Q. is less important than you "want-to"—don't send in your second team. Grades below C will bar a man from ever being considered for admission to professional schools.

6. Be certain all assignments are in on time.

STUDENTS' DEPOSIT FUND

Student banking facilities are maintained at Stetson.

Under the plan students will be permitted and encouraged to deposit their personal cash in the Business Office of the University. Withdrawals of cash will be made at the discretion of the student with no restraint whatsoever on the part of the Business Office employees. The Business Office may require a reasonable notice of withdrawals of large sums at one time due to the minimum amount of cash to be kept in this office.

The University will keep this money in an account at the Barnett National Bank designated "Stetson University Students' Deposit Fund." This fund is for the exclusive use of students and all transactions must be handled through the Business Office.

Regular banking procedure will be put into effect. A pass book will be issued to each student having an account. This book must be presented with each transaction. A regular deposit blank will be used to deposit money and this will be recorded in the pass book to reflect not only the receipt by the Bursar, but also the new balance to the credit of the student.

Checks will be used for withdrawals of money and they will not be negotiable or cashed at any place except the Business Office. In effect, they will resemble checks but actually be a receipt signed by the student that he received a certain sum of money from the Bursar which is to be charged to his personal deposit account. The pass book must be presented to make these withdrawals.

The University will be compelled to make a nominal charge to cover the cost of bookkeeping and supplies.

SAMPSON LIBRARY

The library is a depository of knowledge, culture and experience in printed form, and serves as a general laboratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both study and recreational reading. The staff will gladly assist any student in locating and using library materials. Hours will be found posted on the door of the library building. Each year a handbook is published which gives detailed instructions concerning the use of library resources. This handbook may be secured at the Charge Desk in the Reading Room of the University library.

THE UNIVERSITY INFIRMARY

The infirmary service of the University, under competent graduate nurses, provides for the care of all minor illnesses and the relief of acute conditions which do not require special nursing. Supplementary to the service afforded by the University infirmary, a student may at his own expense secure any physician he desires. The University requests that all illnesses be first reported to the University nurses.

Chapel cuts are sent to the Registrar's office at the end of the week by the infirmary. When a student is given an excuse from class from the infirmary, he or she is then responsible for giving this excuse to his or her instructor. No student will be excused from class unless the infirmary has been notified before the class begins, or during the class hour. All dormitory girls must sign out when remaining in the infirmary overnight.

CHURCH ATTENDANCE

All students are urged to attend Sunday School and church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories and the libraries are closed.

THE VESPER SERVICE

The Vesper Service is a non-denominational service sponsored by the Baptist Student Union Council and meets each evening at 6:30 at a place to be posted on the bulletin board. It seeks to strengthen the spiritual life of the student body.

THE BAPTIST STUDENT UNION

The Baptist Student Union is the connecting link between the Baptist churches of DeLand and the University. It is the recruiting agency and training activity for the local churches.

The BSU is made up of students who are members of a local Baptist church or who participate in one or more of the unit activities. The functions of the BSU are led by the BSU Council which includes general officers elected annually and the presidents of the following campus unit organizations:

The Volunteers for Christian Service is an organization composed of students who plan to do full-time religious work aside from that of the preaching ministry. Membership is open to all students who indicate a desire to join and a willingness to live up to the motto of the group, "that in all things Christ might have pre-eminence." Meetings are held twice monthly.

The Ministerial Association is composed of young men who are studying for the ministry. To be eligible for membership, the student must be recommended by a Christian church as a candidate for the ministry.

Young Women's Auxiliary is open to all young women in the University. It engages in the study of the various phases of mission work and personal service. The YWA meets twice each month and through its programs seeks to enrich the spiritual life of its members.

STUDENT RELIGIOUS ORGANIZATIONS

The religious activities which are considered campus-wide are under the direction of the Student Christian Association. This group is composed of the presidents of each organized denominational group and meets monthly to plan such activities as Religious Focus Week, Religious Emphasis Week, Easter sunrise service, and Thanksgiving service. The association also coordinates all the religious activities of the campus in making religion a vital part of the student's college life.

The following denominational activities are organized on the campus: Baptist Student Union, Canterbury Club for Episcopal students, Wesley Foundation for Methodist students, Westminster Fellowship for Presbyterian students, and the Newman Club for Catholic students.

STETSON DAY NURSERY

The Stetson University Day Nursery, which is located in Brittain Hall dormitory will be operated by the University in the fall quarter for all student mothers, students' wives, who wish to work, and all University personnel who wish to leave their children to be taken care of. For this service there is a fee of fifteen cents (15c) per hour for each child. Information can be obtained from the Dean of Women's office or from Mrs. Davies at the nursery.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Woman's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group, but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity and responsibility. The future will be determined in like manner. Each girl is called upon for whole-hearted participation, realizing that through this participation she, as an individual, speaks and will, as an individual, contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the executive council.

SORORITIES

Alpha Dexioma. The Alpha Chapter of Dexioma was established at Stetson in May, 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University who are not associated with a national social organization may become members.

Alpha Xi Delta. Omega Chapter was established at Stetson in 1917.

De'ta Delta Delta. Alpha Delta Chanter was established in 1913. For several years previously it existed as a local.

Phi Mu. The Alpha Xi Chapter was established at Stetson in 1949.

Pi Beta Phi. Florida Alpha Chapter was established in 1913, having existed as a local for several years previous to that time.

Zeta Tau Alpha. Beta Psi Chapter was established in 1934, after having existed for several years as a local.

Membership

Approximately one-half of the co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

1. **Sorority Chapters.** A chapter is a group of college women who have elected to establish a close affiliation

with one another for four years as college students and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social customs.

2. **Rushing.** At the beginning of each school year, the sorority chapters on the campus have a period known as deferred rushing followed by a short period of formal rushing. Deferred rushing gives girls who are interested in pledging to a sorority an opportunity to become acquainted with the sorority women on the campus and to know something of their organizations. During formal rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each sorority send recommendations to their chapter for sisters, relatives or friends entering college who, they think, would be adaptable to these chapters. During formal rushing these recommended persons largely make up the group of rushees. Informal rushing is carried on during the remainder of the college year during which time each sorority is permitted to invite rushees to the chapter room to be guests at parties, etc. This latter type of rushing is done to select new members from acquaintances made through campus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae sorority life. She should not plan to pledge to a sorority unless she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it.

All groups are worthy of membership and rushees are urged to make decisions independently and on the basis of congeniality.

It is beneath the standards of sorority women to speak

disparagingly of any chapter or any sorority. A member of one organization who so forgets and criticizes any member of another group, or the group as a whole, will discredit herself in the eyes of all sorority women and rushees.

It is beneath the standards of sorority women to allow any illegal methods in rushing. A sorority member may give information on the history, standards, finances and program of her sorority.

3. **Panhellenic.** Panhellenic is an organization composed of two delegates from each sorority on the campus. There is the closest cooperation in Panhellenic on such matters as the maintenance of University and sorority standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Panhellenic. The main purpose of a college Panhellenic is to provide a medium through which sorority women may work together, may cooperate to unify the interests of women students.

While the University does not single out any particular action for penalty, each man should understand clearly that any conduct on his part which results in bad publicity for the University or which is a reflection against the ideals of the institution will cause him to be called before the Committee on Student Conduct to give an account of his actions, and that he will be liable for suspension.

FRATERNITIES

Pi Kappa Phi was founded at the College of Charleston, Charleston, S. C., on Dec. 10, 1904. The badge is a diamond-shaped emblem bearing a scroll with the Greek capitals "Pi Kappa Phi" across the shorter diagonal, with a five-pointed gold star upon a black field above the scroll, and the figure of a student's lamp in gold below the scroll. The pledge button is of white enamel of the same shape as the badge and with gold edges and a gold scroll across the shorter diagonal. The colors are gold and white. The flower is the red rose. Chi chapter, which had existed as the local fraternity Phi Beta Phi for 10 years, was installed at Stetson in 1921. Archon is Charles McClelland.

The pledge button is a reproduction of the center

of the active badge. The colors are gold, black and white, and the fraternity flower is the white rose. Delta Mu chapter existed on the Stetson campus as a local fraternity for several years before it received its charter in 1913. It has operated continually since that time with the exception of 2½ years during World War II. The chapter was reactivated early in 1946 and is back on its prewar basis. Richard Hendry is commander.

Delta Sigma Phi was founded at the College of the City of New York on Dec. 10, 1899. The badge is diamond-shaped, displaying the Greek letters "Delta Sigma Phi" in gold along its short diagonal. The background of the pin is black with a white circle circumscribing a raised green pyramid at the upper apex and a sphinx in gold at the lower. The pledge pin is a green pyramid in a circle of white. The colors are Nile green and white; the flower is the white carnation. Alpha Chi chapter was installed in 1925 and was an outgrowth of the oldest local fraternity on the campus, Phi Kappa Delta, organized in 1898. Since its installation, Alpha Chi chapter has operated continuously, even during the trying days of the war. The president is Steve Stratford.

Lambda Chi Alpha was founded Nov. 2, 1909, at Boston College by three law students. The badge is a pearl-set crescent with horns turned toward the left, and enclosing a monogram of the Greek letters "Lambda Chi Alpha." The center of the crescent bears the Greek letters, "Delta Pi," in gold on black enamel. The pledge button is a Gothic arch superimposed upon a cluster of five triangles. The colors are purple, green and gold. The flower is the white rose. Sigma Omega chapter was installed at Stetson on April 23, 1949. Lambda Chi Alpha has 132 chapters in the United States and 45 thousand members, which makes it the largest fraternity in the United States. High Alpha is Robert M. Beasley.

Sigma Phi Epsilon was founded on Nov. 1, 1901, at Richmond College in Richmond, Va. At the present time there are 97 active chapters in 39 states with a total of 33,000 active members and alumni. The badge is a golden heart with a raised onyx center bordered with pearls. Within the onyx heart are inscribed the Greek letters "Sigma Phi Epsilon" over a skull and crossbones. The pledge button is a square of red enamel bordered in gold. On the face of the button is a Greek inscription above which is a crown and below which is a star. The colors are purple and red, and the fraternity flowers are American Beauty roses and violets. Florida Beta chapter, which had existed as the local fraternity Chi Mu for a short period of time, was installed at Stetson on Feb. 12, 1949. The president is Paul T. MacAlester.

Pi (Kappa) Alpha. The local, Pi Alpha, was formed in 1948 with the expressed purpose of petitioning for a chapter of Pi Kappa Alpha. The president is Harry Hinckley.

A student is **not eligible** for pledging or initiation if:

1. He carries less than a normal academic schedule. (The normal schedule in the College of Law is 2.4 majors. Certain courses in the other divisions of the University carry less than one major of credit; in such instances proper allowance will be made. 4. He has any academic deficiencies.

5. He is not a full-time, regularly enrolled student.

6. His name has not been submitted to, and approved by, the Dean of Men and other members of the administrative

staff. Each fraternity will submit to the Dean of Men a list of prospective pledges, who will then certify as to their eligibility for pledging. The list shall be presented to the Dean of Men at least two days before the day of pledging. All fraternity men will please note that the list shall be typed, or printed, in alphabetical order, using the full name of the individual.

Rush, Pledge and Initiation Activities

These events must be scheduled in advance with the Dean of Women and the Dean of Men. Fraternities are responsible for the treatment which they accord their pledges.

Rules for Rushing

Rules for rushing in 1950-51 will be adopted by the Interfraternity Council in consultation with the Dean of Men.

The chief officer of each fraternity must reside in his fraternity house or designate a representative to act in his place.

NEW ORGANIZATIONS

SPECIAL INTRAMURAL EVENTS

DRAMATICS

Rules

1. A scene or scenes from a longer play instead of a one-act play may be presented.

2. No play may require more than 55 minutes for presentation. All incidental music, et cetera, must be included within this time limit.

3. The number of persons in the cast is not limited.

4. Permission to use plays and payment of royalties must be handled by each manager directly with the publishers BEFORE the play is presented.

5. The order of presentation will be determined by lot.

6. Each cast will require not more than six minutes to set its stage and two minutes to clear. This rule may be waived at the discretion of the dramatic intramural leader.

7. No wall decorations of any kind, no screens used as backgrounds nor backdrops supported in any way may be used. This rule may be waived at the discretion of the dramatic intramural leader.

8. The regular intramural rules will govern all other problems.

9. Absolutely no persons other than those who belong to the intramural group will be allowed to participate in any way connected with the production of the play.

10. Theta Alpha Phi members are excluded, but will be allowed to direct the production if the managers call them.

11. Types of plays to be presented will be comedy, farce and melodrama.

Plan of Contest

The leader of intramural dramatics will give each group a statement as to locations of doors and windows, a cyclorama and an exterior set, if possible. He will co-operate in every way with coaches and casts, but the latter must take entire responsibility for securing properties. Since neither settings nor properties will be equally suitable for all plays presented, it is obvious that judges will NOT judge the stage sets but the play presentations themselves.

Each cast is responsible for setting its own stage and for removing its properties immediately at the close of the play so that the cast presenting the next play may set its stage properly.

All plays will be presented on the one night, and the announcement of the winners will be made after the last play is over.

INTRAMURAL DEBATE RULES

1. Florida Beta chapter of Pi Kappa Delta will select and publish the topic for debate.

2. All independent and fraternal organizations may enter.

3. Any student who has not engaged in intercollegiate debating at Stetson University or at any other college or university is eligible to participate.

4. There will be one women's league and one men's league.

5. There will be both preliminary and final rounds.

The winners and runners-up in both men's and women's divisions shall participate in the finals.

6. Each entry may have both an affirmative and a negative team, but if only one team is entered, that team must be prepared to debate both affirmative and negative.

7. The constructive speeches will be six minutes, and the rebuttals will be three minutes.

8. One faculty member will act as judge for each preliminary debate; there will be three judges for the finals.

9. The debaters will be judged on the basis of delivery, content and logic, and ability to hold interest .

ANNUAL INTRAMURAL SING

The purpose of the intramural sing is to develop an interest in singing through competitive participation among the undergraduates of Stetson University and to give as many as possible an opportunity to express themselves through music.

Under intramural regulations the contest is open to all undergraduates in social organizations on the campus, fraternity and non-fraternity students, with the exception of those who are listed as members of the Stetson Radio Chorus.

Each participating group in the contest will select one song of its own choice, the arrangement of which must be in at least three-part harmony. Songs used by local fraternities on campus will not be accepted by the judges. The judges are selected from among persons not affiliated with the organizations participating.

Each group will select its own leader who may be a member of the above mentioned Radio Chorus; however, such person will be restricted to leading and not singing with his or her group.

Each group participating in the contest will be judged on the following points: (1) appearance and stage presence; (2) leadership; (3) diction; (4) intonation; (5) in-

terpretation; (6) arrangement; and (7) adaptability of song to each group.

The intramural sing is judged in two divisions, one for women and one for men. Silver loving cups are presented as trophies to the winner of each division. The group winning the contest three years in succession retires the trophy.

CLUB ACTIVITIES

The Physical Education Professional Club

The club consists of all physical education majors and others who plan to enter one of the professional fields of health and physical education.

Any girl who is specializing in the above two fields will automatically become a member of this organization when she registers. Physical education minors are also welcome to become active members if they wish.

The officers for 1950-51 are:

President
Vice President
Secretary
Treasurer
Social Chairman

The aim of the club is to stimulate professional interest in health, physical education and recreation; to promote good social and professional relationship between members of the group and the faculty; and to cooperate with other groups interested in recreational activities.

ACTIVITIES SPONSORED BY PEPC

High School Play Day

The annual high school play day is sponsored each winter by the members of the Physical Education Professional Club. The purpose of the play day is to promote a more friendly spirit among schools and to introduce new activities to the group which will aid the athletic and intramural programs in their schools.

Rollins-Stetson Sports Day

In the spring the Physical Education Professional Club holds a sports day with Rollins at which time the girls from both schools participate in various activities. The schools alternate in being hostess.

INTRAMURALS FOR WOMEN

"A tournament for every girl—and every girl a participant"

Director Miss Elizabeth Autrey

Office Women's Gymnasium

All women students are invited to participate in the intramural tournaments. Check the list of managers below to find who is intramural manager in your hall. Either contact her or the intramural office in regard to intramural participation.

It is not necessary for an individual to be highly skilled to enjoy playing in the tournaments, for there will be more "dubs" than "pros" taking part in each. You need only a playing knowledge of the game.
